Please contact us for more details

What is included in the cost:

- Initial consultation which will be held via telephone or email at a time to suit you. We ask that any specific requirements should be raised at this point.
- Use of our props- wraps, hats, blankets, baskets and accessories. You are more than welcome to bring your own props with you as well.
- Custom editing of your images.
- A secure password protected online viewing gallery of all shots taken during your shoot. These can be viewed at any time to suit you within the comfort of your own home. The photos will display our watermark, this will be removed once purchased.
- A selection of cold drinks and snacks.
